A MESSAGE FROM OUR LEAGUE SPONSORS

ADRENALIN

PLYMOUTH'S #1 URBAN ACTIVITY PARK

A Partnership to Benefit Young People

I would like to firstly welcome you back to the 24/25 season. It is once again a pleasure to sponsor the league and I look forward to keeping an eye on all your teams as the season progresses.

Football in the area continues to thrive. You are all a part of this. Each one of you contributes to a number of competitive fixtures each weekend. Each one of you crosses the line on to the pitch every weekend with the hopes of winning and that is the mindset that is used by professional clubs across the nation. It is that hard work and dedication that will bring you the success you all aim to achieve.

To the Managers, Coaches, parents, and volunteers once again it's a big thank you from me. Your dedication and support to these players will always be unrivalled and will help these young players achieve everything they want to from the game.

Adrenalin will as always continue to be a place for all players, coaches, and parent to come to relax and let off some steam. We will have plenty of offers on for you all throughout the season, so keep an eye out for them!

This season sees the introduction of our interactive football pitch at Adrenalin which you will all receive a discount for hiring out. In the winter months it will become a great place to come indoors and train. This is but the first step towards Adrenalin becoming a football training and potentially small sided match environment, as well as an adventure park. I wish you all the best of luck for the upcoming season and look forward to seeing you at games and at Adrenalin.

Message from Dave Keast (Outgoing Chairman 2024)

Firstly, I would like to thank everyone who I have met and worked with over the 40 + years of my involvement in in this great League. From those that took me under their wings and guided me in the right direction through my 'apprenticeship' to those that have been so supportive in recent times. I have been very fortunate and privileged to work with so many amazing people in this League who have so much enthusiasm and motivation, both in clubs and on the Executive all for the benefit of the young people in this City and beyond. On their behalf you have my utmost respect and thanks for giving them the opportunity to play our wonderful game.

The League has benefitted from many sponsors over the years and I would like to thank our current sponsor Luke Fletcher of Adrenalin Leisure for his continued support and more recently the Devonport Royal Dockyard for their support.

The Football Association does not make it easy for grassroots football, at times, for those running clubs and there are new rules proposed for some age groups this coming season. Although the clubs make and adapt the rules for the coming season, we still are governed by the Football Association Standard Code of Youth Rules.

Our League has grown to a mammoth size which makes it difficult at times to administer so if you are reading this please make sure you do your bit to help it run smoothly. With over 500 teams and possibly 8000 players it will need everyone to pull together.

My passion for Respect and Safeguarding work in tandem so please make sure all club members adhere to their respective Codes of Conducts which includes any players who are visually impaired must wear Sports Glasses or Goggles when training or playing. Please respect all referees whether they are experienced, young or club volunteers they all do their best and need our support.

I look forward to seeing some of you during the 2024/25 season and hope you all have an enjoyable season and thank you again for your support.

Dave Keast

STANDARD CODE OF RULES FOR MINI SOCCER AND YOUTH FOOTBALL COMPETITIONS

- This document contains the Standard Code of Rules developed by The Football Association for Mini Soccer and Youth Football Competitions (the “Standard Code”).
- The Standard Code is mandatory for all Mini Soccer and Youth Football Competitions.
- Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.
- The mandatory rules are printed in normal text and the *optional rules in italics*.
- It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.
- In all cases where a [] is shown the necessary name, address, number or wording to complete that rule must be inserted.

- Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA. Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.

- **DEFINITIONS**
- 1. **(A) In these rules:**
 - “Affiliated Association” means an Association accorded the status of an Affiliated Association under the rules of The FA.
 - “Administrative and Disciplinary Points System” means the disciplinary points and potential fines to be issued against Clubs and Teams for breaches of rules as set out in Schedule A

The Adrenalin DJM Administration Points System in Action

- Each Club regardless of size will have 5 free points at the beginning of the Season plus 3 points per team it runs, for example when calculating Club fines if you have 10 teams in your Club you will have 35 points as a whole Club at the start of the Season. If you have two Clubs you will have 11 points.

- When a Club exceeds a free point target they will be fined £50 and their administrative errors notes. Each point thereafter will receive a £10 fine and if you go more than 10 points over the Club free point threshold will be fined £100 and given a final warning and if it goes a further 10 points over then it will be brought in front of the Executive Committee and may result in the Club being expelled from the League and or a £200 fine being imposed.
- In addition to this each team within a Club will have a 4 points free threshold, that they must not exceed in a Season. Any points per team after the 4 point free threshold is reached will be fined £10 per point and:
 - Passing through 5 point threshold additional £25 fine
 - Passing through 10 point threshold additional £50 fine and a final warning
 - Passing through 15 point threshold £100 fine and Club may be expelled from the League.

How will the system be managed?

- The system will be overseen by the Treasurer of the Adrenalin DJM League.
- Each month League Officers will inform the Treasurer of any Club administrative errors and the treasurer will record the points against a database being established that shows every Club and team within it.
- Clubs can request to see their administrative and disciplinary points tariff at any time by requesting a copy from the League Treasurer. Clubs have seven days to appeal a points tariff awarded when either the Club or team exceed their threshold.
- The overall Club points are worked out by combining individual team points with the points attributed to overall Club administration errors. If you have teams that have a total of eight points against them and your Club has received 4 points for a Club administration error your total Club score is 12.
- The points system will also enable us to identify, promote and reward Clubs that undertake their administration well and a reward structure has been established so that teams and Clubs can benefit from their hard work.

Safeguarding Children

Policy and Procedures

THE ASSOCIATION'S SAFEGUARDING CHILDREN POLICY

Every child or young person, defined as any person under the age of 18, who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football, thus every club is required to endorse and adhere to The Association's Safeguarding Children policy.

The FA recognises its responsibility to safeguard the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. The FA is committed to working to provide a safe environment for all children and young people to participate in the sport to the best of their abilities for as long as they choose to do so. The Safeguarding Children Policy is supported by The FA's Respect programme to address verbal abuse and bullying of youngsters by parents and coaches on the side-lines. The Association's Safeguarding Children policy principles are that:

- the child's welfare is, and must always be, the paramount consideration
- all children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, faith or sexual orientation
- all suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately
- working in partnership with other organisations, children and young people and their parents and carers is essential.

The FA is committed to working in partnership with the Police, Children's Services Departments, and Local Safeguarding Children's Boards (LSCB) in accordance with their procedures. This is essential to enable these organisations to carry out their statutory duties to investigate concerns and protect all children and young people.

The Association's Safeguarding Children Policy is in response to government legislation and guidance, developed to safeguard the welfare and development of children and young people.

THE ASSOCIATION'S SAFEGUARDING CHILDREN REGULATIONS

PREAMBLE

This Preamble is provided for guidance. If there is any inconsistency between the Preamble and the operative parts of the Safeguarding Children Regulations below, the operative parts shall prevail.

As set out in The Football Association's Safeguarding Children Policy, The Association is committed to safeguarding children within football and has Case Management procedures in place to assess the suitability of individuals to be involved with children in football.

In assessing that suitability, children's welfare is the paramount consideration.

Towards this, The Association has the power under the Safeguarding Children Regulations to issue a suspension where any one or more of the following applies:-

1. The individual fails to comply with any part of The Association's Criminal Records Bureau (CRB) Process;
2. The individual has been barred by the Independent Safeguarding Authority (ISA) from engaging in regulated activity relating to children;
3. The individual has been disqualified from working with children under the Criminal Justice and Court Services Act 2000;
4. The individual is subject to any other restriction to their involvement with children due to an order made pursuant to statute;
5. The individual has been convicted of, or made the subject of a caution for, an "Offence" defined in paragraph 1 of the Regulations;
6. Following a risk assessment, The Association is satisfied on the balance of probabilities that the individual poses or may pose a risk of harm to children.

GENERAL

1. (a) In these Regulations the expression "Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and

any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or children.

(b) Where any case is referred to the Safeguarding Review Panel pursuant to these Regulations, it shall be considered by the Panel on the basis of written material only. No party shall be permitted to attend to address the Safeguarding Review Panel.

THE ASSOCIATION'S DBS PROCESS

2. All persons applying for or currently in such positions that The Association deems relevant whose duties include regularly caring for, training, supervising or being in charge of children, must comply with the requirements of The Association's DBS process. These requirements are:–

(i) To obtain an FA Enhanced DBS Disclosure; and

(ii) To provide any such further detail, explanation or clarification of any or all part or parts of that Enhanced Disclosure, or any matter revealed by it, as may be required by The Association; and

(iii) Where required, to provide at least two references that attest to their suitability to be involved in youth football. The spouse or partner of the person subject to this requirement cannot act as a referee for this purpose. Any reference provided by a spouse or partner will not be accepted; and

(iv) To comply with each of the requirements set out in regulations (i) – (iii) above

within any such time limit as The Association may stipulate.

Any person who fails to comply with any of the requirements set out in sub-paragraphs (i) – (iv) above shall be subject to an immediate suspension from football activity, on such terms and for such period as The Association may stipulate.

INTERIM SUSPENSION ORDERS

3. Upon receipt by The Association of:

3.1 Notification that an individual has been charged with an Offence; or

3.2 Notification that an individual is the subject of an investigation by the Police, Children's Services or any other authority relating to an Offence; or

3.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children.

The Association shall have the power to order that the individual be suspended from all or any specific football activity for such a period and on such terms and conditions as it deems appropriate. Such suspensions will be issued by the Case Manager or his/her nominee. The initial notification of any such suspension sent to an individual shall set out the right of appeal contained in Regulation 6 below.

4. In determining whether an order under regulation 3 should be made, the Case Manager or his/her nominee shall give consideration, inter alia, to the following factors:-

4.1 Whether a child is or children are or may be at risk of harm;

4.2 Whether the matters are of a serious nature;

4.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

All such suspension orders will be reviewed at the next meeting of The Association's Safeguarding Review Panel. The Panel may ratify, modify or remove any such suspension, or make any other order in relation to that suspension as it deems appropriate.

5. The total period of an order referred to in Regulation 3 above shall not last beyond the final determination of any related case under the Rules of The Association.

6. Any individual subject to a suspension order under Regulation 3 may appeal against it once the period of three months from the imposition of the suspension order by the Case Manager/nominee has elapsed.

7. Such appeals shall be considered by the Safeguarding Review Panel. At least one member of any Panel considering an appeal shall not have been a member of any Panel which conducted the initial review, under Regulation 4 above, of the suspension order being appealed.

8. To bring an appeal under Regulation 6, the individual must give notice in writing to the Case Manager/nominee, requesting such an appeal. The individual may submit any written material in support of the appeal. Such material must be submitted within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel.

9. The Safeguarding Review Panel shall consider all written material submitted by the individual requesting the appeal and in support of that appeal. The Case Manager/nominee may also submit any written material for consideration by the Panel.

10. On considering an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim suspension order as it deems appropriate, including ratifying, modifying or removing it. The Panel shall also have power to make any order in relation to the conduct of the appeal proceedings as it deems appropriate, including requiring more information from either the individual or the Case Manager/nominee.

11. Any appeal under Regulation 6 shall be heard by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the individual.

12. Where an order is imposed on an individual under Regulation 3 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

SUSPENSION FOLLOWING ISA BAR OR DISQUALIFICATION FROM WORKING WITH CHILDREN

13. Where any individual is -

(i) Barred from regulated activity relating to children in accordance with section 3 of the Safeguarding Vulnerable Groups Act 2006; and/or

(ii) Disqualified from working with children in accordance with section 35 of the Criminal Justice and Court Services Act 2000,

The Association shall have the power to order that the individual be suspended immediately from all or any specific football activity for such a period and on such terms and conditions as it sees fit. Any such suspension order shall be issued by the Case Manager or his/her nominee. All such suspension orders shall be reviewed at the next meeting of The Association's Safeguarding Review Panel. The Panel may ratify modify or remove any such suspension, or make any other order in relation to that suspension as it deems appropriate.

ORDER FOLLOWING CONVICTION OR CAUTION

14. The Association's Safeguarding Review Panel shall have the power to make any order in respect of any person convicted of, or made the subject of a caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period (including indefinitely) and on such terms and conditions as it thinks fit. Before making any order under this Regulation, the Panel shall consider all information gathered in respect of a Participant pursuant to The Association's DBS process under Regulation 2 above.

ORDER FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE RESTRICTING INVOLVEMENT WITH CHILDREN

15. The Association's Safeguarding Review Panel shall have the power to make any order in respect of any person made the subject of an order issued pursuant to statute restricting their involvement with children. The Panel's powers shall include but not be limited to a suspension from all or any specific football activity for such period (including indefinitely) and on such terms and conditions as it deems appropriate.

ORDER FOLLOWING RISK ASSESSMENT

16. In addition to The Association's powers under Regulations 3, 13, 14 and 15 The Association's Safeguarding Review Panel shall have the power to make any order that it deems appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, where it is satisfied on the balance of probabilities that the individual poses or may pose a risk of harm to a child or children.

17. Cases may be referred to the Safeguarding Review Panel in order to seek an order under Regulation 16 above by the Case Manager or his/her nominee where the Case

Manager/nominee decides that there is reasonable cause to suspect grounds for concern about an individual's continued participation in football activity involving a child or children.

18. The Case Manager/nominee shall reach this decision on the basis of a risk assessment of that individual's suitability for such participation. This risk assessment may be in such form and prepared by any person, including the Case Manager/nominee, as the Case Manager/nominee, at his/her absolute discretion, considers appropriate.

19. Before a referral is made under Regulation 17 above, the individual must be notified in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager/nominee intends to rely on when seeking the order, save for any exceptional material dealt with under Regulation 24 below.

20. The individual shall have 14 days to reply to this notification and to provide any written material that he/she wishes the Safeguarding Review Panel to take into account in considering whether or not to impose any order under Regulation 16 above.

21. Following the receipt of the reply and/or other written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager/nominee may

(a) Decide that no further action is currently required as there are no longer grounds for a referral under Regulation 17;

(b) Make any such further inquiries as he or she thinks fit in light of any matters raised by the individual in response to the written notification;

(c) Refer the case to the Safeguarding Review Panel under Regulation 17 above.

22. Where further inquiries are made by the Case Manager/nominee, any written material arising from those inquiries may only be relied on by the Case Manager/nominee in applying for any order under Regulation 16 if that written material has been sent to the individual and he or she has had 14 days to reply to it, save for any exceptional material dealt with under Regulation 24 below. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.

23. Where a case is referred to the Safeguarding Review Panel under Regulation 17, except as provided for in Regulation 24 below, it shall be considered on the basis of the following written material only :-

(i) The written notification and all written material provided with it by the Case Manager/nominee to the individual; and

(ii) The reply, if any, and all other written material submitted by the individual in response to the written notification; and

(iii) Any further written material provided by the Case Manager/nominee to the individual subsequently to the written notification; and

(iv) Any response from the individual to such further written material and all other written material submitted with that response.

EXCEPTIONAL MATERIAL

24.1 In considering whether or not to make any order under Regulation 16, as a general rule, the Safeguarding Review Panel may not consider any material provided by either the Case Manager/nominee or the individual which the other party has not seen and had a reasonable opportunity to reply to.

24.2 Exceptionally, the Case Manager/nominee may make an application to the Safeguarding Review Panel for the Panel, as part of its consideration of whether or not to make an order under Regulation 16, to consider material ("exceptional material") that has not been sent to the individual, where the Case Manager/nominee considers, at his/her absolute discretion, that the exceptional material concerned cannot be sent to the individual for any one or more of the following reasons:-

(a) it is confidential, and/or

(b) revealing it to the individual may create a risk of harm to any person or persons, and/or

(c) revealing it to the individual may amount to a criminal offence.

24.3 Where the Case Manager/nominee intends to make an application to the Safeguarding Review Panel for the Panel to consider exceptional material under Regulation 24.2 above,

(i) The Case Manager/nominee shall in all cases give notice in writing to the Safeguarding Review Panel of this and the reason for it at least seven days before the Safeguarding Review Panel considers the case.

(ii) The Case Manager/nominee shall also give notice of the application to the individual in writing at least fourteen days before the Safeguarding Review Panel considers the case, unless the Case Manager/nominee considers, at his/her absolute discretion, that such written notice cannot be given, as to give such notice may in itself

(a) breach confidentiality; and/or

(b) create a risk of harm to any individual or individuals; and/or

(c) amount to a criminal offence.

(iii) Any reply by an individual to a notice referred to at Regulation 24.3(ii) must also be passed to the Safeguarding Review Panel for consideration where any exceptional material to which the reply relates is to be considered by the Safeguarding Review Panel

24.4 The Safeguarding Review Panel may, at its absolute discretion, decline to consider any or all of the exceptional material submitted for the Panel's consideration.

ORDERS AVAILABLE FOLLOWING RISK ASSESSMENT

25. Following a referral under Regulation 17, the Safeguarding Review Panel may make an order under Regulation 16, or any other order that it deems appropriate in the circumstances.

RIGHT OF APPEAL

26. A Participant or The Football Association may appeal any decision of the Safeguarding Review Panel made under Regulation 14, 15 or 16. Such appeals shall be conducted in accordance with the Regulations for Football Association Appeals. Subject to this right of appeal, decisions of the Safeguarding Review Panel are final and binding.

WRITTEN MATERIAL

27. For the purposes of these regulations, "written material" may include photographic, video and/or audio evidence.

Celebrating Football Through Photographs and Video

Let's make football safe – not sorry

Recommended Guidelines

There has been much talk about who is allowed to take pictures of children (under 18s) playing sport and in particular what parents/carers are permitted to do.

The FA would like to assure parents, carers, coaches, spectators, players and local media that we encourage the taking of appropriate images of children in football.

TheFA.com/Football safe let's make football safe – not sorry

Celebrating Football through Photographs and Video

If you are concerned about the inappropriate use of images please report this to your CFA Welfare Officer or to The FA Case Manager (contact details provided below).

Remember

- It's not an offence to take appropriate photographs in a public place even if asked not to do so

- No one has the right to decide who can and cannot take images on public land

- If you have serious concerns about a possible child protection issue relating to the recording of images then call the Police. This action should only be taken where you believe that someone may be acting unlawfully or putting a child at risk

- The land or facility owner can decide whether or not photography and or videoing at football activities will be permitted when carried out on private land. However you need to make this

known before allowing individuals access to the private property. If they do not comply then you may request that they leave

- Try not to use images that include individuals wearing jewellery (as wearing jewellery whilst playing is contrary to the Laws of the Game as well as being a health and safety issue).

Commissioning professional photographers and the local media

If you are commissioning professional photographers or inviting the press to cover a football activity, ensure you and they are clear about each other's expectations. The key is to plan ahead and communicate early on.

- Provide a clear brief about what is considered appropriate in terms of content and behaviour
- Inform them of your club's commitment to safeguarding children and young people. Establish who will hold the recorded images and what they intend to do with them, e.g. place on a website for sale, distribute thumb nails to the club to co-ordinate sales

- Issue the professional photographer with identification, which must be worn at all times

Inform participants and parents or carers prior to the event that a professional photographer will be in attendance and ensure you have established that no under 18s will be compromised due to safeguarding children concerns if their image is taken remember this can be done by using a Consent Form at the start of the season.

YOUTH LEAGUE WELFARE OFFICER (YLWO)

Helen Mulligan Welfare Officer - Mobile: 07939 938430 | Email helenm75@aol.com

The appointment of YLWO will encourage the sharing and development of best practice across the grassroots game. As such The FA sees youth leagues as key to helping to ensure the of young people in football. The FA recognises that there are many proactive leagues that are already doing a great deal to address inappropriate sideline behaviour and to get clubs to play their part in being more aware of child protection concerns. The appointment of the YLWO aims to give this stance a higher profile and consistency across grassroots football.

Please note: It is essential that the YLWO is perceived as being approachable, having a child centred approach and the ability to maintain this perspective when carrying out their role.

CLUB WELFARE OFFICER (CWO)

The Football Association believes that football should be safe and enjoyable for all children and has introduced Criminal Record Checks (CRC)(DBS) to help in this process. With this in mind The FA requires all leagues and clubs with youth teams to have a named Welfare Officer. The FA's vision, of having a local network of CWO's throughout youth clubs can be positively supported by youth leagues. Every County Football Association has a County Welfare Officer they are the official point of contact for any child protection concerns locally. The Club Welfare Officer is required to pass on any child abuse concerns to the County Welfare Officer.

**IMPORTANT REMINDER
TO ALL CLUB SECRETARY'S-CHAIRMAN-TREASURER-
MANAGERS-COACHES
ADRENALIN DEVON JUNIOR & MINOR LEAGUE**

CLUB SECRETARIES are reminded to pay particular attention to these notes when completing the marks for referees on their result sheets

The FA Handbook GUIDE TO MARKING

The mark awarded by a club must be based on the Referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Mark Range Comment

100-86 The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.

85-76 The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.

75-61 The Referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.

60 and below The Referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a Referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or lower is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as possible.

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a Referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however,

worth considering them before committing yourself to a mark for the Referee.

CONTROL AND DECISION MAKING

- How well did the Referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

COMMUNICATION AND PLAYER MANAGEMENT

- How well did the Referee communicate with the players during the game?
- Did the Referee's Level of involvement/profile suit this particular game?

- Did the Referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the Referee respond to the changing pattern of play/mood of players?
- Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the Referee pro-active in controlling of the game?
- Was the Referee's authority asserted firmly without being officious?
- Was the Referee confident and quick thinking?
- Did the Referee appear unflustered and unhurried when making critical decisions?
- Did the Referee permit undue questioning of decisions?
- Did the Referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

FINAL THOUGHTS

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

CLUB MARKING OF REFEREES

Both teams are required to award the Referee a mark in all matches on a scale 1-100 based on the following guide.

Date: Competition:

Home Club Away Club..... v

Referee :.....

Overall control and decision making:

The mark must reflect the Referee's overall Level of control, accuracy of decision making and management of and communication with players. When deciding on a mark consideration should be given to such aspects of the Referee's performance as: impartiality, confidence, fitness, positioning, signalling, use of advantage, handling of major incidents

A mark between 91-100 would be regarded as 'excellent'

A mark between 71 and 80 would represent the standard expected

Our club awards an overall mark of out of

When awarding a mark of 60 or less, an explanation must be provided in the box below to the League/Competition with comments which could help the Referee improve future performances.

(Signed) (Secretary)

CLUB

Referee marking '60' category

Any Club giving a mark of 60 or less must send an approved completed form in duplicate to the League Assistant Secretary within 4 days of the match taking place. Failure to comply will incur a fine of £20.

Rule 13 REFEREES

A Referee not keeping his engagement, and failing to give a satisfactory explanation as to his non-appearance, may have his name removed from the list of Referees and the fact reported to the County Football Association with which he is registered.

The Home team must report the non-appearance of a referee within 4 days of the match or shall be fined the sum of £20 pounds

Memorandum on Co-operation between REFEREE and ASSISTANT REFEREE

LAW 6 stipulates that two Assistant Referees shall be appointed, whose duties, subject to the decision of the Referee, shall be:

- a) To indicate WHEN the ball is out of play
- b) To indicate when the ball has crossed the goalline and whether a corner-kick or goal-kick is to be awarded
- c) To indicate which side is entitled to the throw-in
- d) To assist the Referee in carrying out the game in accordance with the Laws.

The assistance referred to in (d) is:

- 1) Signal when the WHOLE of the ball is out of play
- 2) Indicate WHICH side is entitled to the corner kick, the goal-kick or the throw-in.
- 3) Call the attention of the referee to rough play or ungentlemanly conduct.
- 4) Give an opinion on any point on which the referee may consult him
- 5) SUBSTITUTION. When a substitute is to be made, the Assistant nearest the point of the substitution shall attract the attention of the Referee by raising his flag

CLUB LINESMAN

To get the most effective co-operation from CLUB LINESMEN the following procedure should be adopted:

1. **BOTH Club Linesmen should report to the REFEREE before the start of the match, and receive instructions, and be informed that no matter what maybe their personal opinion the decision of the REFEREE is final, and must not be questioned**
2. **The work allotted to them as CLUB linesmen is to signal when the ball is ENTIRELY over the touch line, and to indicate WHICH side is entitled to the throw-in, subject always to the decisions of the REFEREE**

Keeping in mind their distinctive duties REFEREES should decide beforehand EXACTLY WHAT they want their CLUB LINESMEN to do, and should be able to tell them distinctly how best they can help. It is essential that there should be some sort of conference between the three officials BEFORE any match

Travel Supplements

A referee that travels less than 10 miles to a game,(20 miles round trip) is not entitled to a travel supplement as the increase in referees fees this year take this into account. After the initial ten miles to attend a game then the supplement is as follows

10 – 15 miles (20 – 30 miles round trip) £ 2.00 per team

16 – 25 miles (31 – 50 miles round trip) £ 3.00 per team

26 – 35 miles (51 – 70 miles round trip) £ 4.00 per team

36 – 50 miles (71 – 100 miles round trip) £ 5.00 per team.

- Mileage is determined from their place of residence to the designated pitch

Please note referees are to be paid before the game. If agreed with referee prior to the game referees can also be paid by either bank transfer or telephone banking. Please ensure you have the correct fee when paying.
