A MESSAGE FROM OUR LEAGUE SPONSORS

ADRENALIN

PLYMOUTH'S #1 URBAN ACTIVITY PARK

A Partnership to Benefit Young People

I would like to firstly welcome you back to the 25/26 season. It is once again a pleasure to sponsor the league and I look forward to keeping an eye on all your teams as the season progresses.

Having been involved in football all my life and having a son that plays in the League I realise the massive commitment Club officials, League officials, parents and volunteers make in order for the League to run. This commitment is often not seen and can feel unrewarded but speaking as a father I know the impact football plays on my son's life.

I was recently made aware by Mark Rowles the General Secretary of the League that the League has to raise £ 120k a year in order to enable nearly 8000 players to play football and therefore as a company we are delighted to be able to contribute to this figure through our sponsorship.

Adrenalin will as always continue to be a place for all players, coaches, and parent to come to relax and let off some steam. We will have plenty of offers on for you all throughout the season, so keep an eye out for them!

Adrenalin continues to develop and add new activities to its programme and please check us out on our website and look out for the exclusive deals that we have for members for the Adrenalin Devon Junior and Minor League. We look forward to seeing you soon.

Message from the President

Last Season was very successful and we provided Football for around 6500 young people from around the Plymouth and surrounding area. I would like to thank all those volunteers both in the League Committee led by our Chairman Steve Avery supported by Mark Rowles General Secretary and all Club Members for their time and work they put in to make this happen.

This years Presentation Day which was split into three sessions was a great success and with each session lasting just over an hour it was more enjoyable for everyone. My thanks to everyone who turned up for the preparation it was a great Team effort.

The coming Season looks like its going to another challenge with additional Teams joining especially in the Girls Section where we hope to include an U17 Division for the first time. We will also have the largest numbers of U18 Boys Teams we have ever so we are all looking forward to a great Season.

The FA are making changes for the future of Youth Football one of those being after this Season 11 a side Football will not start until the U14 Leagues so everyone should prepare for that during the coming Season.

I would like to record thanks on behalf of everyone involved in the League for the Sponsorship we receive from Adrenalin Adventure Park Plymouth.

Please remember it should be our aim that all the Young People and the Referees should be able to enjoy their Football experience and spectators' behaviour can make all the difference.

Hope to see you sometime during the Season

The Adrenalin DJM Administration Points System in Action

- Each Club regardless of size will have 5 free points at the beginning of the Season plus 3 points per team it runs, for example when calculating Club fines if you have 10 teams in your Club you will have 35 points as a whole Club at the start of the Season. If you have two Clubs you will have 11 points.

- When a Club exceeds a free point target they will be fined £50 and their administrative errors notes. Each point thereafter will receive a £10 fine and if you go more than 10 points over the Club free point threshold will be fined £100 and given a final warning and if it goes a further 10 points over then it will be brought in front of the Executive Committee and may result in the Club being expelled from the League and or a £200 fine being imposed.
- In addition to this each team within a Club will have a 4 points free threshold, that they must not exceed in a Season. Any points per team after the 4 point free threshold is reached will be fined £10 per point and:
 - Passing through 5 point threshold additional £25 fine
 - Passing through 10 point threshold additional £50 fine and a final warning
 - Passing through 15 point threshold £100 fine and Club may be expelled from the League.

How will the system be managed?

- The system will be overseen by the Treasurer of the Adrenalin DJM League.
- Each month League Officers will inform the Treasurer of any Club administrative errors and the treasurer will record the points against a database being established that shows every Club and team within it.
- Clubs can request to see their administrative and disciplinary points tariff at any time by requesting a copy from the League Treasurer. Clubs have seven days to appeal a points tariff awarded when either the Club or team exceed their threshold.
- The overall Club points are worked out by combining individual team points with the points attributed to overall Club administration errors. If you have teams that have a total of eight points against them and your Club has received 4 points for a Club administration error your total Club score is 12.
- The points system will also enable us to identify, promote and reward Clubs that undertake their administration well and a reward structure has been established so that teams and Clubs can benefit from their hard work.

YOUTH LEAGUE WELFARE OFFICER (YLWO)

Luan Lacy Welfare Officer – Mobile 07480 847603 | Email luanlacy@btinternet.com

The appointment of YLWO will encourage the sharing and development of best practice across the grassroots game. As such The FA sees youth leagues as key to helping to ensure the of young people in football. The FA recognises that there are many proactive leagues that are already doing a great deal to address inappropriate sideline behaviour and to get clubs to play their part in being more aware of child protection concerns. The appointment of the YLWO aims to give this stance a higher profile and consistency across grassroots football.

Please note: It is essential that the YLWO is perceived as being approachable, having a child centred approach and the ability to maintain this perspective when carrying out their role.

CLUB WELFARE OFFICER (CWO)

The Football Association believes that football should be safe and enjoyable for all children and has introduced Criminal Record Checks (CRC)(DBS) to help in this process. With this in mind The FA requires all leagues and clubs with youth teams to have a named Welfare Officer. The FA's vision, of having a local network of CWO's throughout youth clubs can be positively supported by youth leagues. Every County Football Association has a County Welfare Officer they are the official point of contact for any child protection concerns locally. The Club Welfare Officer is required to pass on any child abuse concerns to the County Welfare Officer.

For more information about "Recording Your Concerns" please see Section 3 of The FA Safeguarding Children Workshop Resource Book

Celebrating Football Through Photographs and Video
Let's make football safe – not sorry
Recommended Guidelines

There has been much talk about who is allowed to take pictures of children (under 18s) playing sport and in particular what parents/carers are permitted to do.

The FA would like to assure parents, carers, coaches, spectators, players and local media that we encourage the taking of appropriate images of children in football.

TheFA.com/Football safe let's make football safe – not sorry

Celebrating Football through Photographs and Video

If you are concerned about the inappropriate use of images please report this to your CFA Welfare Officer or to The FA Case Manager (contact details provided below).

Remember

- It's not an offence to take appropriate photographs in a public place even if asked not to do so
- No one has the right to decide who can and cannot take images on public land
- If you have serious concerns about a possible child protection issue relating to the recording of images then call the Police. This action should only be taken where you believe that someone may be acting unlawfully or putting a child at risk
- The land or facility owner can decide whether or not photography and or videoing at football activities will be permitted when carried out on private land. However you need to make this known before allowing individuals access to the private property. If they do not comply then you may request that they leave
- Try not to use images that include individuals wearing jewellery (as wearing jewellery whilst playing is contrary to the Laws of the Game as well as being a health and safety issue).

Commissioning professional photographers and the local media

If you are commissioning professional photographers or inviting the press to cover a football activity, ensure you and they are clear about each other's expectations. The key is to plan ahead and communicate early on.

- Provide a clear brief about what is considered appropriate in terms of content and behaviour
- Inform them of your club's commitment to safeguarding children and young people. Establish who will hold the recorded images and what they intend to do with them, e.g. place on a website for sale, distribute thumb nails to the club to co-ordinate sales
- Issue the professional photographer with identification, which must be worn at all times

Inform participants and parents or carers prior to the event that a professional photographer will be in attendance and ensure you have established that no under 18s will be compromised due to safeguarding children concerns if their image is taken remember this can be done by using a Consent Form at the start of the season.

**IMPORTANT REMINDER
TO ALL CLUB SECRETARY'S-CHAIRMAN-TREASURER-
MANAGERS-COACHES
ADRENALIN DEVON JUNIOR & MINOR LEAGUE**

CLUB SECRETARIES are reminded to pay particular attention to these notes when completing the marks for referees on their result sheets

The following points should be considered in conjunction with the marking table:

- the overall performance
- measure the performance on this game only
- don't penalise the referee for errors by the Assistant Referee
- the starting point for the mark is 75 with fluctuation to reflect the performance
- pitch your expectations to this level of football
- be fair and objective
- try not to issue the mark immediately after the game, but allow a period of reflection

Deciding on the Referee's Mark

The following questions focus on the key areas of a referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

Control and Decision Making

How well did the referee control the game?
Were decisions made in a positive manner?
Were the Laws applied correctly?
Was the referee always within reasonable distance of incidents?
Did the referee use the assistants effectively?

Communication and Player Management

Was the referee approachable?
Did the referee respond to the changing pattern of play/mood of players?
Was the referee confident and quick thinking?
Was effective player management in evidence?

Additional Guidance from The FA

Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 71-80 category a mark of 79 indicates a better performance than a mark of 72.

While some referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.

When club officials are marking a referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.

When a mark of 60 or lower is awarded, a report needs to be submitted to Devon FA and the League Secretary within 4 days of the fixture. The purpose of this is to assist referees to improve their performance levels, so the comments should be as helpful as possible.

The following table can help identify where the mark for the Referee should be pitched when used in conjunction with the “The FA Guide to Marking Officials”

“Did very well” – a high level of performance	91+
“Did well” – above the expected standard	81-90
“Did ok, this is the standard we expect” – the STANDARD performance	71-80
“Didn’t do quite well enough” – some areas for development	61-70
“Struggled” – below the expected standard – need to report this performance and offer some constructive written advice	51-60
“Should not be at this level” – well below what was expected – need to report this performance and offer some constructive written advice on key basic areas	50 & below

Description of Performance

A Referee not keeping his engagement, and failing to give a satisfactory explanation as to his non-appearance, may have his name removed from the list of Referees and the fact reported to the County Football Association with which he is registered.

The Home team must report the non-appearance of a referee within 4 days of the match or shall be fined the sum of £20 pounds

**Memorandum on Co-operation
between REFEREE and ASSISTANT REFEREE**

LAW 6 stipulates that two Assistant Referees shall be appointed, whose duties, subject to the decision of the Referee, shall be:

- a) To indicate WHEN the ball is out of play
- b) To indicate when the ball has crossed the goalline and whether a corner-kick or goal-kick is to be awarded
- c) To indicate which side is entitled to the throw-in

- 4) Give an opinion on any point on which the referee may consult him
- 5) SUBSTITUTION. When a substitute is to be made, the Assistant nearest the point of the substitution shall attract the attention of the Referee by raising his flag

CLUB LINESMAN

To get the most effective co-operation from CLUB LINESMEN the following procedure should be adopted:

1. BOTH Club Linesmen should report to the REFEREE before the start of the match, and receive instructions, and be informed that no matter what maybe their personal opinion the decision of the REFEREE is final, and must not be questioned
2. The work allotted to them as CLUB linesmen is to signal when the ball is ENTIRELY over the touch line, and to indicate WHICH side is entitled to the throw-in, subject always to the decisions of the REFEREE

Keeping in mins their distinctive duties REFEREES should decide beforehand EXACTLY WHAT they want their CLUB LINESMEN to do, and should be able to tell them distinctly how best they can help. It is essential that there should be some sort of conference between the three official BEFORE any match
